

MISSISSIPPI LIME PRODUCTION & PRODUCED WATER 2013

**SAVE
\$200**

By May 17, 2013

Organized by **American Business Conferences**

How To Produce Economically In The High Water, Low Oil Cut Mississippi Lime Play:

Driving Down The Costs Of
**Disposing And Handling High Produced Water Volumes And
Identifying Optimum Lift Techniques To Ensure Commercial
Production In Oklahoma And Kansas**

THE 2ND
SUMMIT IN THE
JOB FUNCTION SPECIFIC
**Mississippi Lime
Series**

June 26-27, 2013
Oklahoma City | OK

**The Only Congress Engineered Specifically For Production
Professionals Operating In The Mississippi Lime**

*Case studies from experts operating
across Oklahoma and Kansas*

- ✓ **WATER PRODUCTION:** How leading Mississippi Lime operators are developing cost-effective systems for handling produced water from production to transport and disposal
- ✓ **WATER DISPOSAL:** How to drive down the costs of brine disposal in the Mississippi Lime to improve the economics of water handling costs vs. oil production
- ✓ **RECYCLING PRODUCED WATER:** Exploring the viability of monetizing produced water by re-using it for hydraulic fracturing
- ✓ **PRODUCED WATER HANDLING:** How operators are minimizing costs associated with gathering and transporting produced water from wells to disposal plants
- ✓ **PUMP OPTIMIZATION:** Comparing artificial lift techniques and exploring ways to extend the range of pumps during the high initial production phase
- ✓ **PRODUCTION TECHNIQUES:** Examining choking and pressure draw-down techniques to increase well performance and rate of return in the Mississippi Lime and Chat
- ✓ **ELECTRICAL INFRASTRUCTURE:** Examining how operators are maintaining favorable well economics by attaining the electricity needed to run large submersible pumps

Terms and Conditions

The conference is being organized by Canadian Business Conferences, a division of London Business Conferences Ltd, a limited liability company formed under English company law and registered in the UK no. 5090859. Cancellations received one calendar month (or the previous working day whichever is the earliest) before the event will be eligible for a refund less \$150 administration fee. Cancellations must be made in writing. After that point no refund can be made. If you are unable to attend, no refund can be given but you may nominate a

colleague to take your place. Canadian Business Conferences reserves the right to alter or cancel these speakers or program. Receipt of this booking form, inclusive or exclusive of payment constitutes formal agreement to attend and acceptance of the terms and conditions stated. *If you are claiming the early booking discount this may not be used in conjunction with other discounts advertised elsewhere. We would like to keep you informed of other Canadian Business Conferences products and services. This will be carried out in accordance with the Data Protection Act. Please write to the Head of Marketing, Canadian Business

Conferences at the address below if you specifically do not want to receive this information. Canadian Business Conferences, 2300 M Street, NW, Suite 800, Washington, DC 20037, USA. Canadian Business Conferences will not accept liability for any individual transport delays and in such circumstances the normal cancellation restrictions apply. Canadian Business Conferences is a Division of London Business Conferences Limited, Registered in England No. 5090859. EIN: no: 98-0514924
