**Photo by Marli Miller**

The Kansas Geological Society Bulletin, which is published bimonthly in electronic format, seeks short papers dealing with any aspect of Kansas geology, including petroleum geology, studies of producing oil or gas fields, and outcrop or conceptual studies. Maximum length of papers is 6 pages as they appear in the Bulletin, including text, references, figures and/or tables, and figure/table captions. Inquiries regarding manuscripts should be sent to [manager@kgslibrary.com](mailto:manager@kgslibrary.com) or mailed to 1704 S. Baehr, Wichita, KS 67209. Specific guidelines for manuscript submission appear in each issue of the Bulletin, which can also be accessed on-line at the Kansas Geological Society web site at <http://www.kgslibrary.com>

# SOCIETY Technical Meetings

**All Technical Meetings will be on Zoom**

September 9, 2025 Troy Johnson - Discussion of the AAPG MCS in October 7-9 in Oklahoma City. Followed by a general discussion of the *"Carboniferous Succession of NW Arkansas"* October 3-5 by Mac McGilvery

September 17, 2025 Franek Hasiuk, Sandia National Laboratories - *"2025 Update on Natural and Stimulated Geologic Hydrogen Research and Exploration"*

**Please remember to check the website for the most up to date information on Technical Talks**

***<http://www.kgslibrary.com/techtalks.cfm>***

***Note: For those geologists who need 30 professional development hours (pdh) to renew their licenses, there will be a sign-in sheet at each presentation and also a certificate of attendance.***

# Editor's Page

Dear KGS members and friends,

There are two KGS events in October. The KGS Golf Tournament at Hidden Lakes GC is on October 10. There is still time to sign up as registration closes Friday the 3rd. The KGS Larry Richardson Memorial Shooting Tournament will be held on October 17th at the Michael Murphy and Sons facility. The flyer is on page 10.

The AAPG MCS convention is October 7-9. Field trips are the weekend of October 4-5 (Northwest Arkansas) and the Arbuckle Field trip is October 10. There may be room to still sign up for one or both. I will be attending next week and will help man the KGF and possibly the KGS booths. There is a Geologic Operations Short Course Series, multiple cores to view as well as poster sessions and the technical sessions. I hope that many of you have registered already, but if not, sign up for a day and come down to OKC.

Paul Simpson, owner of Trilobite Testing, will be presenting a short course on DST's. I want to extend my personal thanks to Paul, as he was the only Kansas Service Company or operator that I was able to convince to help sponsor this event. Activity is very slow in Kansas at present, so I do understand the reluctance to spend company dollars to be at the convention.

Respectfully,

Wes Hansen

## **TEST YOUR SHOTGUN SHOOTING SKILLS IN THE: 4th Annual Larry Richardson Memorial KGS SHOOTING TOURNAMENT for FUN and PRIZES**

**Friday, October 17th, 2025**

8:00 am registration, event starts at 9:15 am.

**Michael Murphy & Sons**  
6400 SW Hunter Road Augusta, KS  
(316) 775-2137

### **100 shot Sporting Clays**

#### **Lunch will be provided**

As the cost of ammunition has increased, we are unable to provide shells as we have done in the past. Bring your own ammo, or purchase on site. If purchasing shells on day of tournament, please call Michael Murphy & Sons prior to the tournament to be sure they have shells available for your gun.

Please pay and register by October 15th, for planning purposes.

Prizes awarded to top three overall in each of four flights. The breaks between flights will be determined after the match is over. Also if donations allow - Drawings for door prizes will also be held after the match. Entrants may include KGS members, guests, Kansas oil & gas industry associates, and friends of Larry.

### **RULES**

1. Eye and ear protection required.
2. Bring your own shells. Shells MAY be available to purchase onsite. (Only 7½, or smaller shot sizes are permitted.)
3. Shooters must provide own gun.
4. No pistol or rifle shooting permitted
5. No alcoholic beverages may be consumed prior to or during any shooting.

# An Open Invitation to Young Geologists to Join AAPG

I would like to extend a special invitation to recent graduates and other young geological professionals to join AAPG. There are many young geologists outside the Wichita area that I have never met. They may work out of Great Bend or Hays, Kansas working with smaller oil and gas producers or working on their own as well site geologists. Kansas does have a future for the foreseeable future. The time is now to meet others from larger regional companies to forge a relationship for future employment. Young minds will be needed to replace those retiring and that other bad option.

I joined AAPG late in my career, much to my regret. I now serve voluntarily on the AAPG MCS committee for our convention in Oklahoma City from October 7-9, 2025.

Respectfully yours,

Wesley D. Hansen Bulletin Editor

## **A shout out to Kansas Oil and Gas Industry**

### **Service Companies**

**Oil prices are recovering nicely with WTI about \$80 per barrel and Kansas posted price about \$70 per barrel**

**Now is the time to resume advertising in the KGS Bulletin**

**Let our several hundred members know that your company is still active and ready to work.**

**Your half page ad would look great here.**

**Color or black and white**

**Contact Kent Scribner at 316-640-1154**

### **KGS members please check your files**

Fellow KGS members, please remember to check your files of elogs and geologist reports against the KGS paper library and the WDL before discarding them. I was contacted by John Morrison recently about a well I watched years ago that had some tops and DST info missing from his completion card. I took pics from my geo report of tops and DST results and sent them to John to update his card data. If I was to go through all of my files, I'm sure I have many logs and geo reports that are not in the files of either the KGS paper or the WDL. Before I hang things up in my career, I vow to go through all of my data and get it donated and scanned.

KCC rules allow an operator to hold information confidential for a two year period. As long as the well in question is older than the two year period, one can release the data. If one has concerns about alienating a client, of course, feel free to ask for permission.

Wes Hansen

# Kansas Geological Foundation

Web Site: [www.kgfoundation.org](http://www.kgfoundation.org)

**212 North Market  
Wichita, Kansas 67202**

A not-for-profit educational and scientific corporation

## **GOALS:**

- promote geology and earth science
- preserve geological records
- establish memorials and endowments
- support field trips and seminars
- financial aid and grants to students

**PLEASE HELP SUPPORT THE FOUNDATION**

## **Kansas Geological Foundation Services**

The Kansas Geological Foundation provides the following services as a part of the organization's commitment to educate the public regarding earth science.

### **Speaker's Bureau**

A list of speakers available to talk about various aspects of geology may be obtained by contacting Wes Hansen at the KGS Library, 265-8676. This service is free to the public.

### **DVD/Videotape Library**

The KGF maintains a DVD & videotape library focused primarily on the various fields of earth science. These tapes may be checked out without charge by the public. To obtain a list of tapes, please contact the KGS Library, 1704 S, Baehr Wichita, KS 67209 or call Wes Hansen at 265-8676.

The Kansas Geological Foundation was founded in March, 1989 as a not-for-profit corporation under the guidelines of section 501(c)(3) of the tax code to provide individuals and corporations the opportunity to further the science of geology. It is dedicated to providing charitable, scientific, literary and educational opportunities in the field of geology for the professional geologist as well as the general public.

KGF can receive in-kind donations through which the donor may receive a tax deduction. Of equal importance, the KGF provides the financial resources to sort, process and file this data at the KGS library. If you have a donation to make, please contact the KGF at 265-8676.

Your tax-deductible membership donation helps to defray the cost of processing donations and to support public education programs about the science of geology. Annual membership begins at \$50.00 per year. Donations of \$100.00 or more are encouraged through the following clubs:

<b>Century Club</b>	\$ 100 to \$ 499
<b>\$500 Club</b>	\$ 500 to \$ 999
<b>Millennium Club</b>	\$1000 to \$5000
<b>President's Club</b>	\$5000 and over

### **Spring 2025 KGF Scholarship Recipients**

<b>Name</b>	<b>University</b>	<b>Scholarship</b>	<b>Amount</b>
Makayla McGill	University of Kansas	KGF Scholarship	\$1000.00
Joneel Zinto	University of Kansas	KGF Scholarship	\$1000.00
Mary Tsiboe	University of Kansas	KGF Scholarship	\$500.00
Nathan Zet	University of Kansas	KGF Scholarship	\$500.00
Andrew Hindall	Kansas State University	KGF Scholarship	1000.00

#### **KGF Grants**

**Sarah Lamm, PhD candidate at KU**

**\$3500.00 for Rocks and Rockets Event in Colby**

**August 2025**

# ***Kansas Geological Foundation News***

Students: The KGF awards scholarships each December and May. Check with your department chairs for applications. You must submit complete applications by the deadline.

**Scholarship Applications for the Fall semester will be due by May 1, 2025.**

**Scholarship Applications for Spring semester will be due by December 1, 2025**

Grants to help with research on Kansas related geology are also considered for aid.

---

## **The Kansas Geological Foundation Needs You!**

The KGF provides the financial resources to sort, process and file, in-kind donations of geological data at the KGS library. Due in large part to the KGF this unique and rare well of information is being made available to all. Please consider telling your company management and colleagues about the benefits of a library that continues expanding in part because of the KGF.

**We very much value and need your financial support.**

### **KGF Officers and Board Members**

**Executive Director-Liaison Kerry Parham**

**President - Tim Hellman**

**Vice President -**

**Treasurer - Jacob Dyson**

**Secretary - Beth Isern**

#### **Board Members**

**Brad Rine (25) Dennis Hedke (25)**

**Nick Hixon (25) Kent Crisler**

**Rusty Mourning**

---

**Scholarships - Nick Hixon**

**Grants - Dennis Hedke**

**Publicity - Wes Hansen**

**PLEASE SUPPORT THE INTEGRATION PROJECT BY DONATING  
FINANCIALLY TO THE KANSAS GEOLOGICAL FOUNDATION**

### **BULLETIN CONTENT POLICY**

Effective January 1, 2018, only ads for service companies and geologists offering their services will be permitted in the KGS Bulletin. Furthermore, only content of geologic interest or official KGS functions (technical talks, annual banquet, golf tourney, picnic etc.) will be permitted in this bulletin. This policy is in keeping with maintaining a professional standard for this publication. Any interpretation of this policy rests solely with the editor of this bulletin.

### **AAPG Needs You!**

#### **Professional geoscientists, share your world!**

The Mid Continent Section has **17 AAPG Student**

**Chapters**, but only **3 Visiting Geoscientists**...which makes it almost impossible to have a professional geoscientist visit to each school at least once a year or even once every two years. The aim of AAPG's program is to give students a flavor of a professional life in energy resources. It also hopes to encourage dialog between industry and academia.

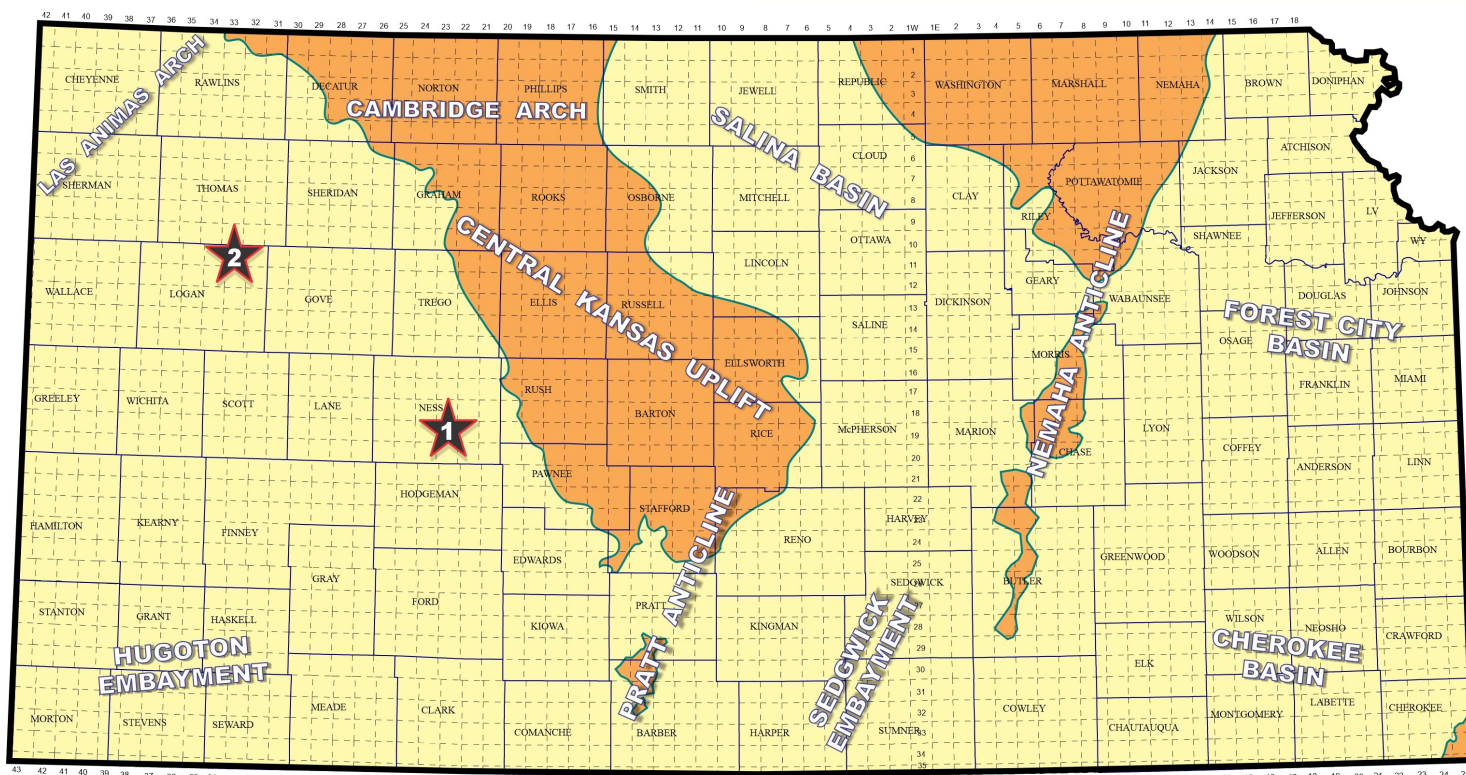

To be a Visiting Geoscientist bearing the AAPG flag, you are asked to have at least 5 years of experience and make at least one visit per year to a university. It can be a school with an AAPG Student Chapter, or a college/university without one. Your choice.

The Mid Continent schools with Student Chapters are: Missouri University, Fort Hays State University, Iowa State University, Kansas State University, Missouri State University, University of Nebraska, Northwest Missouri State University, Oklahoma State University, University of Oklahoma, University of Arkansas, University of Iowa, University of Kansas, University of Missouri, Columbia University of Tulsa and Wichita State University.

Contact Robbie Gries, co-Chair VGP committee, Denver, if you are interested in learning more. [rrgries@aol.com](mailto:rrgries@aol.com)

# Exploration Highlights

By John H. Morrison, III

Map courtesy of Marc Summervill

1. Elevate Energy LTD, of Elizabeth (CO), has discovered Cherokee Sand oil reserves at a step-out well spotted nearly three-quarters of a mile northeast of similar oil production in the “Franklin Southeast” pool (established 1985) in Ness County. The discovery well, #1-32 Miner, is isolated from the infield production by two dry holes. The new oil field has been named the “Franklin East” pool.

The #1-32 Miner Trust was drilled to a total depth of 4,470 feet, about five and one-quarter miles south of Ness City, Kansas, in ~NW SW NE SE of section 32- T19s- R23W. Completion details are confidential. (Ref: API 15-135-26234)

2. Murfin Drilling Company, located in Wichita, Kansas, has reported the discovery of Cherokee (Johnson Zone) oil reserves at the #1-16 Ahrens A well. This well is located in the ~ NW SE SE SE of section 16- T11S - R33W in Logan County. It was drilled to a total depth of 4,765 feet within the Mississippian formation. Completion details for the well are currently being kept confidential.

The new “Hubert North” pool is located nearly three-quarters of a mile southwest of similar reserves found in the “Cook West” pool, which was established by BEREXCO LLC earlier this year. Murfin’s Ahrens A lease is situated one and a half miles southeast of Monument, Kansas. (Ref: API 15-109-21689)
